REVIEW OF INCOME TAX RATES FOR RESIDENT INDIVIDUAL

Current Position

The income tax rates for resident individuals is progressive, ranging from 0% to 30%, as follows:

Chargeable Income Band (RM)	Tax Rate (%)
0 – 5,000	0
5,001 – 20,000	1
20,001 – 35,000	3
35,001 – 50,000	6
50,001 – 70,000	11
70,001 – 100,000	19
100,001 – 400,000	25
400,001 – 600,000	26
600,001 – 2,000,000	28
Exceeding 2,000,000	30

Proposal

To ease economic pressures on the middle-income group, it is proposed that the taxable income bands be restructured to make the tax system more progressive, involving the following changes in tax rates:

i. Reduction of 1 percentage point for chargeable income band of RM70,001 to RM100,000 from 19% to 18%;

ii. Creation of new chargeable income band of RM100,001 to RM150,000 with a reduction of 1 percentage point from 25% to 24%. Chargeable income band of RM150,001 to RM400,000 remains at 25%;

iii. Revision of the chargeable income band of RM600,001 to RM2,000,000 into RM600,001 to RM1,000,000 with the tax rate remains at 28%; and

iv. Revision of the chargeable income band exceeding RM2,000,000 to exceeding RM1,000,000 with the tax rate of 30%.

The new structure of chargeable income bands and income tax rates for resident individuals are as follows:

Chargeable Income Band (RM)	**Tax Rate (%)**
0 – 5,000	0
5,001 – 20,000	1
20,001 – 35,000	3
35,001 – 50,000	6
50,001 – 70,000	11
70,001 – 100,000	**18**
100,001 – 150,000	**24**
150,001 – 400,000	25
400,001 – 600,000	26
600,001 – 1,000,000	28
Exceeding 1,000,000	**30**

Effective Date

From the year of assessment 2027.

APPENDIX 2

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR INDIVIDUAL AND DEPENDENT RELATIVES

Current Position

From the year of assessment 2010, the individual income tax relief for individual and dependent relatives has increased from RM8,000 to RM9,000.

Proposal

To increase disposable income of *rakyat* in addressing the rising cost of living, it is proposed that the individual income tax relief for individual and dependent relatives be increased from RM9,000 to RM12,000.

Effective Date

From the year of assessment 2027.

APPENDIX 3

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR EXPENSES FOR PARENTS AND GRANDPARENTS

Current Position

From the year of assessment 2025, individual income tax relief limited to RM8,000 is given on expenses for parents and grandparents as follows:

i. Medical treatment at clinics and hospitals;

ii. Treatment and care at home, day care centres and residential care centres;

iii. Dental treatment excluding cosmetic dental treatment; and

iv. Full medical examination and vaccinations limited to RM1,000.

The tax relief claim must be supported by a medical practitioner registered with the Malaysian Medical Council verifying the health condition of the parents or grandparents in need of medical care services. For carers (excluding self, spouse or children), a written declaration by the carer or a copy of the carer's work permit is required and supported by receipts.

Proposal

To provide comprehensive support for elderly care, it is proposed that the expenses for the care of parents and grandparents at home, day care centres and residential care centres be revised to cover all types of care expenses and not limited to medical care.

The tax relief claim must be supported with a written declaration from the carer (excluding self, spouse or children) or a copy of the carer’s work permit together with receipts without requiring any verification from a registered medical practitioner.

Effective Date

From the year of assessment 2027.

APPENDIX 4

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR MEDICAL TREATMENT

Current Position

Individual income tax relief for medical treatment expenses

Individual income tax relief is given on medical treatment expenses limited to RM10,000 as follows:

i. Serious illness for self, spouse or child;

ii. Fertility treatment for self or spouse;

iii. Vaccinations for self, spouse or child limited to RM1,000;

iv. Dental examination and treatment limited to RM1,000;

v. Full medical examination, mental health examination or consultation, disease diagnostic test and purchase of self-health monitoring equipment for self, spouse or child limited to RM1,000; and

vi. Assessment for diagnosis, early intervention programmes or rehabilitation treatment for children with learning disabilities aged 18 years and below.

Individual income tax relief for the purchase of breastfeeding equipment

Individual income tax relief is given on the purchase of breastfeeding equipment for personal use for children aged 2 years and below, limited to RM1,000.

Proposal

To further support the national health aspiration towards family well-being, particularly for mothers, it is proposed that the individual income tax relief for medical treatment be reclassified as Health and Well-being, with the relief limit maintained at RM10,000. The scope of relief is expanded to include the following expenses:

i. Postnatal care service expenses provided by a confinement centre or qualified individual limited to RM3,000; and

ii. Breastfeeding equipment for children aged 2 years and below paid by self or spouse limited to RM1,000.

The individual income tax relief for the purchase of breastfeeding equipment be merged into the individual income tax relief for Health and Well-being expenses.

Effective Date

From the year of assessment 2027.

APPENDIX 5

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR EDUCATION FEES AND LIFESTYLE

Current Position

Individual income tax relief for education fees

Individual income tax relief limited to RM7,000 is claimable on fees paid for undertaking the following courses or fields of study:

i. Other than Masters or Doctor of Philosophy

Educational courses up to tertiary level to acquire skills or qualifications in the fields of law, accounting, Islamic finance approved by Bank Negara Malaysia or Securities Commission, technical, vocational, industrial, scientific or technology at any local institution or professional body in Malaysia recognised by the Government of Malaysia or approved by the Minister of Finance;

ii. Masters or Doctor of Philosophy

Individual income tax relief for lifestyle

Individual income tax relief for lifestyle is claimable on fees paid for any upskilling or self-enhancement courses limited to RM2,500. Eligible courses include courses that encourage individuals to acquire skills unrelated to employment such as courses related to hobbies, languages and religion.

Proposal

To further encourage the *rakyat* to attain better education levels and upskill, it is proposed that individual income tax relief for education fees and skills courses under lifestyle relief be reclassified as Education and Skills Training Fees with the relief limit remains at RM7,000. The scope of relief be revised as follows:

i. Fees incurred for self to undertake courses or studies recognised by any regulatory agency at the Certificate, Diploma, Bachelors, Masters or Doctor of Philosophy level in any field at any local institution or professional body in Malaysia recognised by the Government of Malaysia or approved by the Minister of Finance;

ii. Fees incurred for self or spouse limited to RM3,000 to undertake upskilling or self-enhancement courses or studies in the field of Technical and Vocational Education and Training (TVET) recognised by the Director General of Skills Development under Act 652; and

iii. Fees incurred limited to RM2,000 for undertaking:

    a. Courses, training and skills and self-enhancement classes unrelated to employment for self or spouse; or

    b. Courses, training, classes or tuition in the field of Science, Technology, Engineering and Mathematics (STEM), arts, languages and religion for children.

The individual income tax relief on fees for upskilling or self-enhancement courses under lifestyle be merged into the individual income tax relief for Education and Skills Training Fees.

Effective Date

From the year of assessment 2027.

APPENDIX 6

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR LIFESTYLE

Current Position

From the year of assessment 2024, individual income tax relief for lifestyle limited to RM2,500 is given on the purchase of reading materials including e-books, printed/electronic daily newspapers, purchase of personal computers, smartphones or tablets and internet subscriptions.

Proposal

To foster digital literacy and adoption of Artificial Intelligence (AI) technology to boost productivity as well as drive innovation, it is proposed that the scope of the individual income tax relief for lifestyle be expanded to cover subscription expenditures for AI software and applications for personal use, spouse or child.

In promoting compassion and empathy towards animals requiring care, it is proposed that the scope of the lifestyle tax relief also be expanded to include pet care expenditures as follows:

i. Cost of pet adoption from registered animal shelters; and

ii. Registered veterinary services for vaccination and spaying or neutering procedures.

The limit for the individual lifestyle tax relief remains at RM2,500 including the proposed expanded scope.

Effective Date

From the year of assessment 2027.

APPENDIX 7

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR SPORTS-RELATED LIFESTYLE

Current Position

From the year of assessment 2024, individual income tax relief for sports-related lifestyle is given on expenditures incurred limited to RM1,000 for self, spouse, child or parents as follows:

i. Purchase of sports equipment for sports activities listed under the Sports Development Act 1997 [Act 576] (excluding motorised two-wheel bicycles);

ii. Payment of rental or entrance fees to any sports facility;

iii. Payment of registration fees for participation in any sports competition held by any organiser approved and licensed by the Commissioner of Sports under Act 576; or

iv. Payment of gymnasium membership fees or sports training fees charged by sports club or societies registered with the Commissioner of Sports or company incorporated under the Companies Act 2016 to carry out sports activities listed under Act 576.

Proposal

To further promote a healthy lifestyle among the *rakyat*, it is proposed that the scope of individual income tax relief for sports-related lifestyle be expanded to include the purchase of sports shoes limited to RM300. The limit for the individual income tax relief for sports-related lifestyle remains at RM1,000.

Effective Date

From the year of assessment 2027.

APPENDIX 8

EXTENSION OF INDIVIDUAL INCOME TAX RELIEF FOR TOURISM EXPENSES

Current Position

To promote domestic tourism, individual income tax relief of up to RM1,000 is given for year of assessment 2026 on the following entrance fees:

i. Tourist attractions such as museums, zoo, theme parks, national parks, marine parks and geoparks; and

ii. Cultural and arts programmes.

Proposal

To further encourage domestic tourism activities in conjunction with Visit Malaysia Year 2026 which extended to 2027, it is proposed that individual income tax relief for tourism expenses be extended for one year.

Effective Date

For the year of assessment 2027.

APPENDIX 9

REVIEW OF INDIVIDUAL INCOME TAX RELIEF FOR SOCSO CONTRIBUTIONS

Current Position

From the year of assessment 2022, individual income tax relief limited to RM350 is given to private sector employees that contribute to social security protection schemes regulated by the Social Security Organisation (SOCSO) under the Employees' Social Security Act 1969 and the Employment Insurance System under the Employment Insurance System Act 2017 for income protection due to loss of employment.

Proposal

To support the mandatory and voluntary SOCSO contribution policies for private sector employees particularly to protect gig workers and hawkers, it is proposed that individual income tax relief be revised as follows:

i. The scope of tax relief be expanded to cover mandatory employee contributions to the Self-Employment Social Security Scheme (LINDUNG KENDIRI) for 3 mandatory sectors namely passenger transport, goods or food transport and hawkers as listed under the Self-Employment Social Security Act 2017 [Act 789] with the existing tax relief remains at RM350; and

ii. An additional income tax relief limited to RM150 be given on voluntary employee contributions to the Non-Employment Injury Scheme (LINDUNG 24) and 17 non-mandatory sectors under LINDUNG KENDIRI as listed under Act 789.

Effective Date

From the year of assessment 2027.

APPENDIX 10

TAX TREATMENT FOR SCHOOL PUBLIC CONTRIBUTION FUND

Current Position

The School Public Contribution Fund (*Tabung Sumbangan Wang Awam Sekolah* – TSUWAS) is a fund approved under subsection 44(6) of the Income Tax Act 1967 to finance the implementation of projects or programmes for student development and welfare, subject to approval by the Ministry of Education Malaysia (MOE). TSUWAS fund excludes administrative and operating or repair and maintenance expenses.

The categories of schools eligible to establish TSUWAS are Government-Aided Schools, Non-Government-Owned Schools (vernacular schools or National-Type Schools without Government intervention), Government-Aided Religious Schools and Non-Government-Owned Religious Schools.

Schools are required to open a dedicated account to receive contributions to TSUWAS. The fund needs to be jointly administered by the TSUWAS Committee Members comprising representatives from the school and external parties, including representatives from the Parent-Teacher Association (PTA).

Individual donors or companies making contributions in cash to TSUWAS are eligible for a tax deduction limited to 10% of aggregate income. In-kind contributions are not eligible for a tax deduction.

Proposal

To enhance operational efficiency and ensure the comfortable school infrastructures, it is proposed that the scope of TSUWAS be enhanced to cover administrative and operating expenses, repairs and maintenance, the procurement of equipment, as well as the implementation of school programmes for students.

Applications for the establishment of TSUWAS must be submitted to the Inland Revenue Board of Malaysia with endorsement from MOE. The management of TSUWAS shall be jointly administered by the school, PTA or Alumni Association with monitoring by MOE based on guidelines to be determined.

Effective Date

From the year of assessment 2027.

APPENDIX 11

REVIEW OF INCOME TAX RATES FOR MICRO, SMALL AND MEDIUM ENTERPRISES

Current Position

Companies with paid-up capital of ordinary shares of RM2.5 million and below or Limited Liability Partnership (LLP) with partnership capital contributions of RM2.5 million and below, with annual sales not exceeding RM50 million are categorised as Micro, Small, and Medium Enterprises (MSMEs) and subject to income tax as follows:

Chargeable Income Band	Tax Rate (%)
First RM150,000	15
RM150,001 to RM600,000	17
Exceeding RM600,000	24

Proposal

To continuously enhance the competitiveness of MSMEs in driving the country's economic growth, it is proposed that the MSMEs income tax rates be revised as follows:

i. A reduction of 1 percentage point for the first chargeable income band of RM150,000 from 15% to 14%; and

ii. A reduction of 1 percentage point for the chargeable income band of RM150,001 to RM600,000 from 17% to 16%.

The new income tax rate structure for MSMEs is as follows:

Chargeable Income Band	Tax Rate (%)
First RM150,000	**14**
RM150,001 to RM600,000	**16**
Exceeding RM600,000	24

Effective Date

From the year of assessment 2027.

APPENDIX 12

REVIEW OF CAPITAL ALLOWANCE FOR SMALL VALUE ASSETS

Current Position

Capital allowance for small value assets not exceeding RM2,000 per asset is fully claimable and limited to RM20,000 for each year of assessment. Micro, Small and Medium Enterprises (MSMEs) are eligible to fully claim capital allowance on small value assets without any limit on overall annual claim.

Proposal

To assist companies in reducing the cost of doing business, taking into account current prices of equipment and fittings, it is proposed that the capital allowance treatment for small value assets be enhanced as follows:

i. The value of each small value assets for claiming capital allowance be increased from RM2,000 to RM3,000; and

ii. The overall capital allowance limit for small value assets claimable by companies other than MSMEs be increased from RM20,000 to RM30,000 for each year of assessment.

Effective Date

From the year of assessment 2027.

APPENDIX 13

REVIEW OF INCOME TAX EXEMPTION FOR SHARIAH-COMPLIANT FUND MANAGEMENT SERVICES PROVIDER COMPANIES

Current Position

A resident company providing Shariah-compliant fund management services approved by the Securities Commission Malaysia is given an income tax exemption of 60% on statutory income derived from management of Shariah-compliant funds as follows:

Investors Category	Tax Exemption Period (Year of Assessment)
Foreign Investors in Malaysia	2007 until 2027
Local Investors	2008 until 2027
Business Trust Investors and Real Estate Investment Trusts (REITs) Investors in Malaysia	2014 until 2027

Proposal

To further support the development of Shariah-compliant fund management services, it is proposed that the income tax exemption for resident Shariah-compliant fund management service providers be reviewed as follows:

i. The income tax exemption rate be fixed at 40% on statutory income derived from management of Shariah-compliant funds; and

ii. The income tax exemption be extended for 3 years.

Effective Date

From the years of assessment 2028 until 2030.

APPENDIX 14

INCOME TAX DEDUCTION FOR SALARY PAYMENTS THROUGH FINANCIAL INSTITUTIONS AND CASHLESS PAYMENT INSTRUMENTS

Current Position

Expenses incurred wholly and exclusively in the production of gross income, including salary payments to employees, are allowable as tax deduction under Section 33, Income Tax Act 1967. Eligibility to claim tax deduction is regardless of whether the expenses are paid in cash, non-cash or through any other method of payment.

Proposal

To enhance the transparency of financial transactions by employers and support compliance towards cashless salary payments through financial institutions and cashless payment instruments as prescribed under the Employment Act 1955, it is proposed that tax deduction on salary expenses be allowed only for payments made through financial institutions or cashless payment instruments, except for salary payment transactions by Micro, Small and Medium Enterprises.

Tax deduction on expenses other than salary payments remains allowable, regardless of the method of payment.

Effective Date

From the year of assessment 2028.

APPENDIX 15

INCOME TAX DEDUCTION ON THE ISSUANCE COSTS OF SUKUK PRISMA

Current Position

The Securities Commission Malaysia (SC) introduced the Sustainable and Responsible Investment (SRI) Sukuk framework, which enables companies to raise funds to enhance sustainability practices and support the transition towards low-carbon activities. Income tax deduction is given on Sukuk SRI issuance costs from years of assessment 2016 until 2027.

From 2027, SC will introduce Sukuk Prisma, which aims to expand the use of the capital market to attract sustainability-focused investments. SC targets investments of up to RM100 billion over 5 years to finance sustainable projects that benefit the *rakyat* among others in the following areas:

i. Climate change adaptation;
ii. Water and food security;
iii. Biodiversity resilience; and
iv. Blue economy.

Proposal

To further strengthen Malaysia's position as a global sukuk investment hub through the provision of innovative Shariah-compliant financing facilities with a sustainability focus, it is proposed that an income tax deduction be given on the issuance cost of Sukuk Prisma approved or authorised by SC or lodged with SC.

The income tax deduction granted on the issuance cost of SRI Sukuk remains effective until the year of assessment 2027.

Effective Date

From the years of assessment 2027 until 2030.

APPENDIX 16

REVIEW OF STAMP DUTY EXEMPTION FOR THE PURCHASE OF FIRST RESIDENTIAL HOME

Current Position

Stamp duty exemption of 100% is given on loan agreements and instruments of transfer for the purchase of first residential home priced up to RM500,000 by Malaysian citizens.

The exemption is effective on loan agreements and instruments of transfer involving sale and purchase agreements executed from 1 January 2021 until 31 December 2027.

Proposal

To further support first residential home ownership among Malaysian citizens, it is proposed that the stamp duty exemption for the purchase of first residential home be revised as follows:

i. Homes priced up to RM500,000

   Stamp duty exemption of 100% be given on loan agreements and instruments of transfer.

ii. Homes priced up to RM750,000

   Stamp duty exemption be given on loan agreements and instruments of transfer as follows:

   a. 100% exemption on the first RM500,000 of the home price; and

   b. 50% exemption on the remaining home price exceeding RM500,000 up to RM750,000.

Effective Date

For loan agreements and instruments of transfer involving sale and purchase agreements executed from 1 January 2027 until 31 December 2030.

APPENDIX 17

STAMP DUTY EXEMPTION FOR REVIVAL OF ABANDONED HOUSING PROJECTS

Current Position

Stamp duty exemption of 100% is given on loan agreements and instruments of transfer relating to the revival of abandoned housing projects as follows:

i. Rescue contractor or developer

   a. Loan agreements for financing purposes; and

   b. Instruments of transfer for the transfer of land or abandoned housing projects.

ii. Original buyer of the abandoned house

   a. Loan agreements for additional financing purposes; and

   b. Instruments of transfer for residential homes.

The exemption is effective on loan agreements and instruments of transfer executed from 1 January 2013 until 31 December 2025.

Proposal

To support the MADANI Housing Reform programme in achieving the target of zero abandoned housing projects by 2030, it is proposed that stamp duty exemption of 100% be reintroduced on loan agreements and instruments of transfer executed by rescue contractors or developers and original buyers in relation to the revival of abandoned housing projects certified by the Ministry of Housing and Local Government.

Effective Date

For loan agreements and instruments of transfer executed from 1 January 2027 until 31 December 2030.

APPENDIX 18

STAMP DUTY EXEMPTION FOR OPENING SAVINGS AND CURRENT ACCOUNTS

Current Position

Stamp duty at the rate of RM10 is imposed on instruments for the opening of savings and current accounts that contain an undertaking which creates a specific legal obligation, indemnity, guarantee or liability.

Proposal

To broaden the access to financial services for individuals and businesses, particularly Micro, Small and Medium Enterprises, it is proposed that stamp duty exemption of 100% be given on instruments executed by individuals or businesses for the opening of savings and current accounts that contain an undertaking which creates a specific legal obligation, indemnity, guarantee or liability.

Effective Date

From 1 January 2027.

APPENDIX 19

REVIEW OF STAMP DUTY TREATMENT ON FOREIGN CURRENCY LOAN OR FINANCING AGREEMENTS

Current Position

Foreign currency loan or financing agreements are subject to *ad valorem* stamp duty at a rate of 0.5%.

Proposal

To enhance access to domestic financing, it is proposed that the maximum limit of stamp duty imposed on loan or financing agreements in foreign currency from banks in Malaysia be determined as follows:

i. RM2,000 for loan or financing up to RM100 million; and

ii. RM5,000 for loan or financing exceeding RM100 million.

Effective Date

For loan or financing agreements executed from 1 January 2027.

APPENDIX 20

REVIEW OF STAMP DUTY TREATMENT FOR LOAN OR FINANCING UNDER THE CAKNA SCHEME

Current Position

CAKNA is a scheme that provides financing facilities to Micro, Small and Medium Enterprises (MSMEs) and small contractors that have secured Government contracts.

CAKNA I : Assists MSMEs to obtain early payment for completed Government contracts through the sale of approved invoices to banking institutions.

CAKNA II : Assists small contractors in financing the timely implementation and completion of Government contracts valued up to RM1.5 million.

Remission is given on stamp duty exceeding RM10 for the principal loan or financing agreements as follows:

CAKNA I : Agreements executed from 1 March 2021 until 31 December 2028.

CAKNA II : Agreements executed from 1 January 2024 until 31 December 2025.

Proposal

To continue assisting MSMEs and small contractors in obtaining financing for the implementation of Government contracts, it is proposed that the stamp duty remission on principal loan or financing agreements under the CAKNA Scheme executed by MSMEs and small contractors be reviewed as follows:

i. The remission on stamp duty exceeding RM10 for agreements under the CAKNA I Scheme executed from 1 January 2029 be extended for 2 years; and

ii. The remission on stamp duty exceeding RM10 for agreements under the CAKNA II Scheme executed from 1 January 2027 be reintroduced.

Effective Date

CAKNA I : For loan or financing agreements executed from 1 January 2029 until 31 December 2030.

CAKNA II : For loan or financing agreements from 1 January 2027 until 31 December 2030.

APPENDIX 21

REMISSION OF STAMP DUTY ON LOAN OR FINANCING AGREEMENTS THROUGH PEER-TO-PEER PLATFORMS

Current Position

Financing through Peer-to-Peer (P2P) platforms is an innovative alternative financing mechanism that enables entrepreneurs or Micro, Small and Medium Enterprises (MSMEs) to raise business capital through loan from investors on P2P platforms. Stamp duty exemption of 100% is given on loan or financing agreements made through P2P platforms registered with and recognised by the Securities Commission Malaysia.

The exemption is effective for P2P loan or financing agreements between MSMEs and investors executed from 1 January 2022 until 31 December 2026.

Proposal

To encourage MSMEs to obtain alternative financing through P2P platforms, it is proposed that remission of stamp duty exceeding RM10 be given on P2P loan or financing agreements executed between MSMEs and investors.

Effective Date

For loan or financing agreements executed from 1 January 2027 until 31 December 2030.

APPENDIX 22

REMISSION OF STAMP DUTY ON LOAN AGREEMENTS BY MID-TIER COMPANIES

Current Position

Loan or financing agreements are subject to *ad valorem* stamp duty at a rate of 0.5%.

Stamp duty exemption is given on principal factoring or invoice financing agreements executed between Micro, Small and Medium Enterprises (MSMEs) with factoring companies registered with the Ministry of Finance and members of the Malaysian Factors Association. The exemption is effective for principal factoring or invoice financing agreements executed from 1 January 2022 until 31 December 2025.

The Supplier Financing Programme by Mid-Tier Companies (MTCs) adopts the reverse factoring concept. This concept involves two instruments, namely a credit facility agreement (first tier) and an agreement for the utilisation of the excess credit facility (second tier). Both agreements must be executed between the MTC and a financial institution that are subject to *ad valorem* stamp duty at a rate of 0.5%.

Proposal

To increase MSMEs cash flow by obtaining early payments from the MTC's excess credit facility, it is proposed that stamp duty in excess of RM10 be remitted on second tier agreements between MTCs and financial institutions for excess credit facility given to MSMEs, subject to the following conditions:

i. MSME suppliers have fulfilled contracts for the supply of goods or services to MTCs; and

ii. MSME suppliers are not parent company, subsidiary or related to the MTCs.

Stamp duty on first tier agreements remains at the *ad valorem* rate of 0.5%.

Effective Date

For second tier agreements executed between MTCs and financial institutions from 1 January 2027 until 31 December 2030.

APPENDIX 23

REVIEW OF TAX INCENTIVE FOR GLOBAL SERVICES HUB

Current Position

The Global Services Hub (GSH) tax incentive is provided to companies that establish Malaysia as a hub for high-value services such as managing, controlling and supporting key business functions. The tax incentives provided are as follows:

i. Corporate income tax rate of 5% or 10% determined through an outcome-based approach, subject to conditions such as minimum annual operating expenditure and high-value employment; and

ii. Individual income tax at the rate of 15% for 3 consecutive years of assessment for 3 non-citizen individuals holding key posts or C-Suite.

The tax incentive is effective for applications received by the Malaysian Investment Development Authority (MIDA) from 14 October 2023 until 31 December 2027.

Proposal

To strengthen Malaysia's competitiveness as a destination for global services hubs and attract treasury management activities, it is proposed that the GSH tax incentive be reviewed as follows:

i. A new company is a company that has not carried out GSH or Principal Hub (PH) activities.

ii. An existing company is:

   a. A company that has been previously approved for the GSH or PH tax incentive; and

   b. A company that will undertake additional new services for an extension application.

iii. The base income for an existing company is the average income for the last 3 years.

Subject	New Company	Existing Company	
	GSH Income	**≤ Base Income**	**> Base Income**
Tax Rate	**5%**	**15%**	**5%**
Incentive Period	Every five (5) years up to a maximum of 30 years. (Subject to the company's performance/commitment during the preceding and subsequent incentive periods)
